Why Elon?

Noor Irshaidat

Home Country: Jordan

Majors: International Business and International and Global Studies

Club or Activities: Leadership Fellow, Innovation Fellow, Senior Class President, Elon International Society, Model United Nations, Muslim Student Association, Orientation Leader

After Graduating: Attending University of Pennsylvania Carey Law School

“Elon provided me with everything I wanted from a college experience. From incredible classes and mentors, to outstanding learning opportunities, unforgettable experiences and a wonderful, close-knit community, I can honestly say Elon was my home away from home.”

Thida Kim

Home Country: Cambodia

Majors: Project Management and Human Service Studies

Clubs or Activities: Asian-Pacific Student Association and Elon Gardening Club

“Elon is a great choice for me. It’s the perfect size. Elon is small enough for you to keep seeing familiar faces and big enough to make new friends when you join a new organization or visit different parts of campus. I love the small class sizes and access to campus resources, faculty and staff.”

Fabio P. Brigagão

Home Country: Brazil

Major: Business Analytics

Clubs or Activities: Campus Recreation & Wellness Club Sports Staff, Delta Upsilon fraternity, Center for Organizational Analytics

After Graduating: S&OP analyst and International School Education

“Studying abroad was one of my most memorable experiences at Elon. I learned about other cultures and stepped out of my comfort zone. After every experience, I felt like I became more mature, knowledgeable, independent and globally engaged.”
