Why Elon?

Noor Irshaidat

Home Country: Jordan

Majors: International Business and International and Global Studies; J.D. from the University of Pennsylvania

Club or Activities: Leadership Fellow, Innovation Fellow, Senior Class President, Elon International Society, Model United Nations, Muslim Student Association, Orientation Leader

After Graduating: Corporate attorney at Simpson Thacher & Bartlett LLP in Washington, D.C.

“Elon provided me with everything I wanted from a college experience. From incredible classes and mentors, to outstanding learning opportunities, unforgettable experiences and a wonderful, close-knit community, I can honestly say Elon was my home away from home.”

Thida Kim

Home Country: Cambodia

Majors: Project Management and Human Service Studies

Clubs or Activities: Asian-Pacific Student Association and Elon Gardening Club

After Graduating: Chief of Staff at Baramy Production in Cambodia

“Elon was a great choice for me. Elon was small enough for me to keep seeing familiar faces and big enough to make new friends when I joined a new organization. I loved the small class sizes and access to campus resources, faculty and staff.”

Fabio P. Brigagão

Home Country: Brazil

Major: Business Analytics

Clubs or Activities: Campus Recreation & Wellness Club Sports Staff, Delta Upsilon fraternity, Center for Organizational Analytics

After Graduating: People Analytics & Insights Manager at AB InBev in Campinas, São Paulo, Brazil

“Studying abroad was one of my most memorable experiences at Elon. I learned about other cultures and stepped out of my comfort zone. After every experience, I felt like I became more mature, knowledgeable, independent and globally engaged.”
