2021**

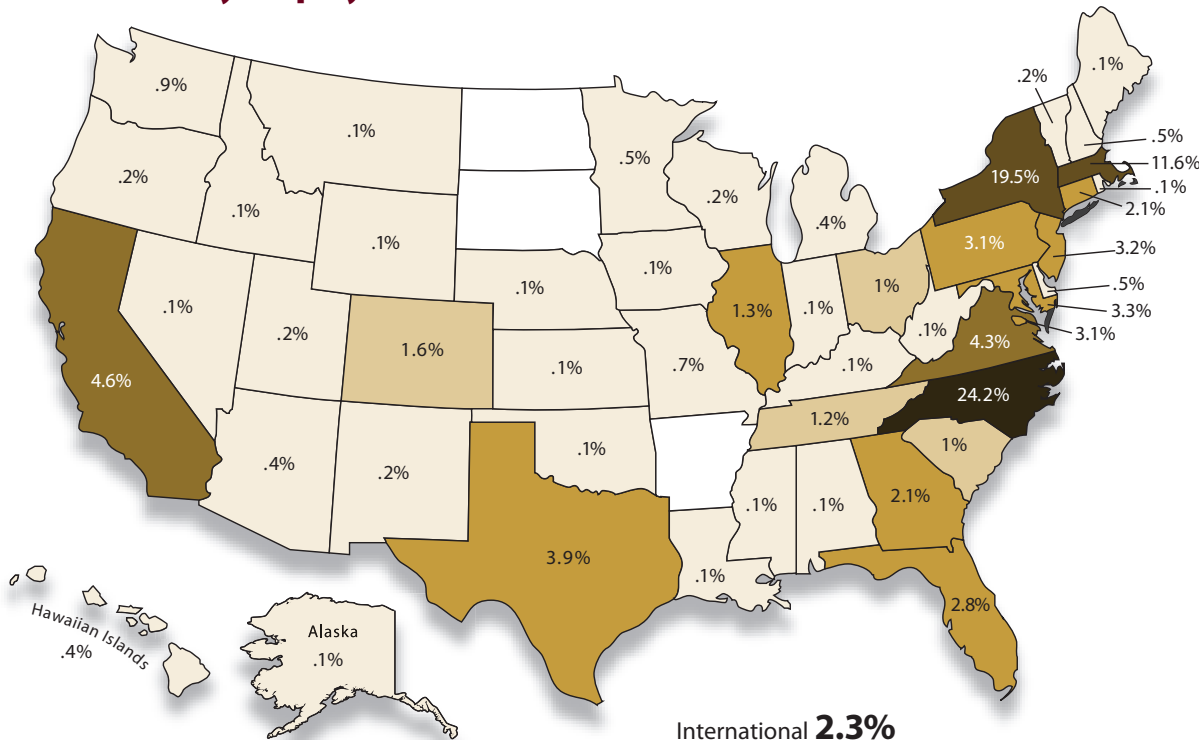

# ELON GRADUATES LEADING THE WAY

## First Destination Outcomes Post-Graduation Survey Results

\* Based on nine-month post-graduation survey results.

## Graduates by Employment Location

“It has been a privilege to lead EY’s recruiting efforts at Elon these past two years. I continue to be impressed with the caliber of the students and their overall preparedness to join EY and immediately make a contribution. In this truly global world that we live in today, it is an added benefit how globally astute and aware the Elon students are.”

**Michael DeStefano**  
EY

# ELON GRADUATES LEADING THE WAY

“As an intern at Coleman Research, I conducted market research for clients and gained significant confidence in talking with executives over the phone. The skills gained from this experience, and the people I met along the way, have set me up for success after graduation.”

Andrew Veilleux, Class of 2021

## Academic Internships

University data has found that students who prepare for professional roles through internships are more likely to be hired upon graduation.
