First Destination Outcomes Post-Graduation Survey Results

* Based on nine-month post-graduation survey results.

Graduates by Employment Location

“It’s such a rewarding experience to meet an undergraduate at the Job and Internship Expo, stay connected through their college career, and then be able to call them a colleague after graduation. It’s no coincidence Golin is consistently voted a Best Place to Work in PR, there are Elon graduates everywhere you look.”

**Peter Walpole
Golin**

“As an intern at EY, I appreciated that we could help clients determine high-impact practices to improve their efficiency and positive impact. I resonated with EY’s mission statement of ‘building a better working world’ and was excited to return after my internship turned into a full-time job offer.” **Savannah Josey, Class of 2022**
