Self-guided walking tour

A tour of Elon’s main campus.

START HERE »

Inman Admissions Welcome Center (1) The Inman Admissions Welcome Center is Elon’s home for prospective students and families. The center includes offices for undergraduate and graduate admissions, and financial planning.

Belk Library/Koenigsberger Learning Center (2) Located in the heart of campus, Belk Library/Koenigsberger Learning Center houses the Library, Center for Writing Excellence, Tutoring, Advising, Disabilities Resources, and Media Services.

Moseley Center (3) Moseley Center is a hub of campus life, housing the Student Professional Development Center, student organizations, administration, and student life offices.

Lakeside Dining Hall (4) A two-story dining location with three central culinary stations, including one with a weekly international theme.

Center for the Arts (5) The Department of Performing Arts is housed here. It includes the 575-seat McCrary Theatre, 155-seat Yager Recital Hall and 100-seat Black Box Theatre, in addition to three dance studios, modular practice rooms, and costume shops.

Koury Center (6) Campus Recreation is located on Koury Center. Stewart Fitness Center includes a 12,600-square-foot weight room spread over two floors along with a variety of cardio, strength and mobility equipment for all levels of fitness. Belk Pool has six 25-yard lap lanes and six diving blocks. Alumni Gym and Jordan Gym are also located here.

McEwen Dining Hall (7) This newly renovated dining hall features Knued (sandwiches and pastries made in-house), Home & Away (international meat, made-in-house pasta, homestyle foods, as well as a variety of vegan and vegetarian options) and Greens & Grains (soup and salad bar).

McEwen Communications Building (8) McEwen houses the School of Communications, which offers degrees in journalism, strategic communications, cinema & television arts, communication design, media analytics and sport management and is accredited by the Accrediting Council on Education in Journalism and Mass Communications (ACEJMC).

Dwight C. Schar Hall (9) Schar Hall includes classrooms, faculty offices and expanded space for Live Oak Communications, Elon’s student-run public relations agency.

Historic Neighborhood (10, 11, 12, 13) The neighborhood includes Sloan, Virginia, West Carolina, Smith, Hook, Brannock and Barney halls as well as Cannon and Keenan pavilions. About 95% of the students who live in this neighborhood are first-year students.

Historic Campus: Alamance and Carlton buildings (14) Alamance was built as the center of the “new” campus after the fire of 1937. The Registrar and Bursar are located in this building. Carlton includes space for the study of world languages and culture, and international studies, and includes El Centro de Español, Elon’s Spanish immersion center.

Historic Campus: Powell, Duke and Mooney buildings (15) Mooney houses the Dr. Jo Wa/tt  s Williams School of Business, which is accredited by the Association to Advance Collegiate Schools of Business (AACSB). The school offers degrees in accounting, economics, entrepreneurship, finance, international business, economic consulting, management and marketing. In addition, Master of Business Administration, Master of Science in Management and Master of Science in Accounting degrees as well as dual degree programs are offered here.

Koury Business Center (16) This is the home of Elon’s Martha and Spencer Love School of Business, which is accredited by the Association to Advance Collegiate Schools of Business (AACSB). The school offers degrees in accounting, economics, entrepreneurship, finance, international business, economic consulting, management and marketing.

Innovation Quad (17, 18) Anchored by Founder’s Hall and Innovation Hall, the Innovation Quad is a unique center for learning, creativity, research, discovery and design that fuels the bold ideas needed to answer the world’s extraordinary challenges. Opened in August 2012, the IQ house Elon’s Departments of Engineering and Physics and is designed to seamlessly blend science and technology studies with the arts and the humanities.

Richard W. Sankey Hall (19) Sankey Center for Creativity, Innovation and Entrepreneurship, the Chandler Family Professional Sales Center, the Design Thinking Center and the Financial Education Center are all located in Sankey Hall.

Clohan Hall (20) This dining facility includes a first-floor market and deli and a second-floor restaurant and dining commons.

Athletic Facilities (21, 34, 35, 43, 49) Rhodes Stadium, home of Phoenix football; Hunt Softball Park, home of Phoenix softball; Reid Field, home of Phoenix soccer; Latham Park, home of Phoenix baseball; and the Jerry and Jeanne Robertson Track and Field Complex are all located in the northeast section of campus.
