CONSENT

I have read the information about body donations provided by Elon University's Anatomical Gift Program and/or the AGP Brochure. I understand and accept the following:

- I am donating my body to Elon University's Anatomical Gift Program for healthcare education and research. The programs of study of my body will be determined by the Anatomical Gift Program.
- I understand that my body may teach at an accredited and fully vetted North Carolina health sciences institution and shall return to Elon University's Anatomical Gift Program for cremation and disposition. In this case the family will be notified prior to the designation.
- The information I have provided in General Information is true and correct and will be used to file a death certificate at the time of my death providing my body is accepted by the Anatomical Gift Program.
- I understand that the information I have provided is voluntary and the Health History Questionnaire will be shared with Elon University faculty in undergraduate biosciences, Doctor of Physical Therapy, and Physician Assistant Studies programs and their students.
- I understand that my Social Security number will be used for verification and death certificate purposes only and will be securely retained.
- The Anatomical Gift Program (AGP) reserves the right to decline any donation including for the reasons listed in the information pages. If the body is declined, the Anatomical Gift Program will not accept financial responsibility for the disposition of the body.
- I understand that studies can range typically from 2 to 3 weeks up to 3 years in length.
- I understand that photographs of my body may be taken in the anatomy labs of the McMichael Science Building and the Gerald L. Francis Center, which will be permitted for teaching and research only as directed by the respective course instructor.
- I understand that the Anatomical Gift Program will administer a serology test to determine contagious diseases such as: COVID-19, HIV/AIDS, hepatitis B, hepatitis C, and West Nile Virus. If the test is reactive (positive), I understand that the results will be reported to the Department of Public Health in the County of North Carolina where death occurred and that my body will be cremated at the expense of the Anatomical Gift Program.
- I authorize the Anatomical Gift Program to cremate my remains consistent with the G.S, 90-210.120. et seq., as I have designated below.

LONG TERM RETENTION

I give the Anatomical Gift Program permission to retain an organ/or body part(s) for long term anatomy research, teaching, and/or permanent preservation such as the recreation of skeletal materials for curricular topics. I understand the rest of my body will be cremated as I have instructed in the Donor Consent Form.
