

HOT INTERNSHIPS

December 2, 2016

City of Burlington (Burlington, NC) – The City of Burlington is seeking a video-specialist intern starting in January 2017 and lasting through the semester. The **paid** position will carry several responsibilities, including assisting the Public Information Officer and Specialist with video production projects, coordinating photo and video shootings, editing footage, and more. Duties may extend to graphic design and administrative tasks. Proficiency in Adobe Premiere Pro is required for the position. For more information, [click here](#).

Alamance County Public Libraries (Burlington, NC) – Alamance County Public Libraries is searching for a Spring 2017 intern to work with the County and the communications teams, as well as the Public Information Officer and county videographer/website designer. The intern will have the opportunity to learn more about and work in local government communications and to tailor projects to their own interests. For more information, please contact Michelle Mills at mmills@alamancelibraries.org.

The Charlotte Observer (Charlotte, NC) – The Charlotte Observer, the largest newspaper in North Carolina, offers summer internships for students at all levels of college. The internship program includes attending weekly seminars, opportunities to research and shoot video on live news assignments, and a working mentorship. To apply, mail a packet including a cover letter, resume, five work samples, and a one-page autobiography to: June Lancaster, Newsroom, The Charlotte Observer, P.O. Box 30308, Charlotte, NC 28230.

Environment North Carolina (Raleigh, NC) – Are you interested in environmental advocacy work and affecting meaningful change? Consider applying for an internship with Environment North Carolina! Interns will have the opportunity to work closely with advocates and organizers, analyze environmental problems, work with the media, and more. There is also an opportunity for a graphic design internship. For more information, contact Rachel Weber at rweber@environmentnorthcarolina.org. To apply, fill out this [Google Form](#).

Taylor (Charlotte, NC) – Taylor, a public relations agency with several offices across the country and clients such as Mercedes-Benz and Comcast, has a Spring 2017 digital public relations internship opportunity in Charlotte for college seniors or recent graduates. The digital intern is responsible for creating content and managing the day-to-day social media execution. Other responsibilities include helping identifying and engaging influencers and learning how to use metrics to report on client campaigns. To apply, [click here](#).

Complex (Los Angeles, CA) – Complex TV, the TV sect of the popular New York-based youth culture media platform, is hiring for video production interns for Summer 2017. Complex TV produces original series, co-productions and other content. Interns will work directly with the entire production team and will have the opportunity to PA for on-location shoots. For more information and to apply, [click here](#).

Virgin Galactic (Mojave and Long Beach, CA) – Virgin Galactic is set to become the world’s first privately funded commercial space line, and they are looking for a film & digital media intern to assist them in their venture. Main duties will include working with the digital media producer, media file management, pre- and post-production, scheduling and capturing media. For more information about the organization and the position, visit their [online job posting](#).

INK & ROSES (New York, NY) – INK & ROSES is a public relations firm based in the city that focuses on the beauty, grooming, lifestyle and consumer health and wellness industries. Some clients include Ricola, Aveeno, and Johnson & Johnson. Internship responsibilities include conducting research and trend spotting, writing, assisting with social media content creation, and more. For more information about the internship and to apply, visit their [online job posting](#).

Vaudeville Ventures (New York, NY) – Vaudeville Ventures is a boutique digital consultancy that works with clients such as the NHL and The Madison Square Garden Company. They are hiring full-time and part-time graphic design interns for the summer, and also have winter and spring internships available. The position includes executing creative concepts, creating layouts, designing logotypes, and more. For more information about the internship and to apply, please visit their [online job posting](#).

Additional news...

The Charlotte Observer (Charlotte, NC) – Gary Schwab, the enterprise editor at The Charlotte Observer, will be visiting Elon on Wednesday, December 7th, and wants to meet students like you! If you are interested in pursuing an internship and career in journalism, come and meet with Mr. Schwab at 1:15 in McEwen 101F.

If you are planning an **internship** for winter or spring, now is the time to sign up for the **internship prep seminars**. Also, if you are planning a **summer internship** and will be **abroad for the spring**, you should sign up for the prep seminars. The seminars will be held ONCE this semester on **Monday, December 5**. **Both seminars are required to register for an academic internship in the School of Communications**. This does not include the Elon in L.A. Program. If you have questions, please see Professor Tonkins in 101D McEwen, or email cominternships@elon.edu. **Please sign up for seminars at <http://www.elon.edu/cominternships>**. We look forward to seeing you.

The School of Communications strives to provide accurate information to students from legitimate employers. Because of the volume of internship postings received by our office, we cannot screen every listing. We do not endorse the products or recommend the services of any of the employers listing internships through our office. We are not responsible for the safety, wages, working conditions or other employment aspects of any internship listed here. Students are urged to use common sense, caution, and practice due diligence in researching employers before applying for any internship positions within a business or organization.
