

HOT INTERNSHIPS

Summer 2017

French West Vaughan (Raleigh, NC) – French West Vaughan focuses on creating compelling brand propositions and has done so for the past two decades from three locations: Raleigh, New York City, and Los Angeles. The advertising agency’s Raleigh office is searching for students majoring in public relations, communication, journalism, graphic design and other related focuses. There are ongoing internship opportunities available to students and interested students can email hr@fwv-us.com with a resume, cover letter and any applicable samples.

VICE Media LLC (New York, NY) – VICE is a digital media and broadcasting company located in New York City. They are currently searching for a paid fall intern. VICE Interns will get a firsthand look into how an international media company functions on a day-to-day basis. At VICE, interns have the opportunity to learn about journalism, design, marketing, production, and more. Intern positions are available in VICE’s New York and Los Angeles offices. Communications Strategy Group (CSG) (various locations) – CSG is searching for a communications fellow for the upcoming fall in Denver, CO, Chicago, IL, and New York, NY. An award-winning and rapidly growing team of communications experts, the company serves to provide strategic advice and tactical execution for their clients. CSG is seeking to hire interns (fellows) for the fall of 2017 at any of our three office locations, to assist with day-to-day client account activities. These fellowships offer an exciting and rewarding opportunity to learn from one of the most sophisticated and advanced communications agencies in the industry. For more information, [click here](#).

Spectrum News Carolina (Greensboro, NC) – Spectrum News Carolina is a 24-hour local news channel serving all Spectrum video customers in North Carolina. Their unique, high-tech newsgathering and production techniques allow them to keep their news programming continuous and updated every day around the clock. They are seeking an unpaid fall intern for their Greensboro office. Spectrum News wants interns who will help plan, execute and coordinate various aspects of news media. To learn more about this opportunity, click and [apply here](#).

The Research Triangle Foundation of NC – The Research Triangle Foundation of NC, one of the largest research parks in the world, is looking for a Communications, Design, or Public Relations student intern. The RTP fosters creative thinking, daily collaboration, and the joy of discovery. This paid internship will provide real world experience and the opportunity to lead several impactful marketing projects promoting RTP, its Park Center redevelopment project, and its 250+ companies. Student must be interested in working with and supporting the RTF Marketing Communications team. To apply to any of these positions, [click here](#).

AECOM (Los Angeles, CA) – AECOM is a premier, fully integrated infrastructure firm positioned to design, build, finance and operate major infrastructure assets around the world for public- and private-sector clients. Currently, the company is searching for a paid intern for the fall. As a member of AECOM’s

Corporate Communications team based in Los Angeles, CA and reporting to the director of Strategic Communications, the Strategic Communications Fall Intern will support the development of internal and external communications for various C-suite and top L.A. market executives and assist with a range of Southern California events and media relations activities. To apply, visit [this page](#).

The Burlington School (Burlington, NC) – The Burlington School is a prestige Preschool – 12th grade school that offers premier programs in academics, athletics and the arts. They are looking for an unpaid fall intern to assist TBS’s communications manager with social media, coverage of school events and updating the school’s website. If interested, submit a cover letter and résumé to mrodriguez@theburlingtonschool.org.

Thunder Mountain Media (Carrboro, NC) – Thunder Mountain Media released its first documentary film *The Real Mayberry* in December of 2016. The film is currently available on iTunes, Amazon, Google Play, and Reelhouse. Their mission is to look for inspiring, insightful, and innovative stories that help answer the question "how does small town America survive and keep its heart and soul?" They are currently looking for interns for the fall semester. Working at Thunder Mountain, interns will gain experience in development, research, pre-production, production, post-production, marketing, social media, and a range of other skills that come with working on any project in this field. For more information about the company, explore their [website](#). To apply, email erin@thundermountainmedia.com.

CBS Corporation (various locations) – CBS Corporation is a mass media company that creates and distributes industry-leading content to audiences around the world. The Philadelphia CBS Television Stations office is searching for a fall [Public Affairs Television Intern](#). This internship, which is paid, will provide field experience for students pursuing careers in television broadcasting related fields. Click the link to view application details.

Elon Club Hockey (Elon, NC) – The Elon Club Hockey team has a few opportunities for **non-credit** internship experience this coming fall. Help bring Elon’s Ice Hockey Program to new heights through fundraising events and promotional media. Open to Journalism, Cinema, and Communication Design majors/minors, this is a chance to become a part of the program and work with the team for the entire season, to help evolve the program and grow the sport of hockey itself. Contact robertliberge@gmail.com to discuss the **non-credit** internships experience.

The School of Communications strives to provide accurate information to students from legitimate employers. Because of the volume of internship postings received by our office, we cannot screen every listing. We do not endorse the products or recommend the services of any of the employers listing internships through our office. We are not responsible for the safety, wages, working conditions or other employment aspects of any internship listed here. Students are urged to use common sense, caution, and practice due diligence in researching employers before applying for any internship positions within a business or organization.
