

HOT INTERNSHIPS

January 10, 2019

CBS Television Network (Studio City, CA) – CBS is looking for a film major to fill their video editing intern position for this spring. The CBS Television Network Internship Program is designed to provide students with exposure to various departments within the television/entertainment industry. The Video Editing Publicity intern will work closely with the department to watch and log footage, assist on shoots, edit footage, caption video and more. If interested, apply [here](#).

YMCA (Croydon, NH)(PAID)– YMCA Camp Coniston is looking for a photography intern for this summer. This position is paid and includes room and board. The intern will assemble and compile a series of photographs to be used by the camp for everything from marketing to fundraising to maintaining an online presence. YMCA Camp Coniston is a nationally-recognized leader in the field of youth development and resident camping. Applications are due February 1st. If interested, apply [here](#). Contact Shannon@coniston.org (alum) or jack@coniston.org with any questions.

Relias (Cary, NC)(PAID) – Relias is looking for a social media intern for this summer. The intern will be developing social media campaigns to target potential Relias customers, collecting and creating content for a variety of social media platforms. They will also develop images and video for social media in Canva and Adobe Suites. Relias provides a blended approach of learning, assessments and analytics for approximately 6,000 healthcare providers, covering both physical and mental health needs, as well as public safety organizations. If interested, apply [here](#).

Duke University (Durham, NC) – Healthy Durham 20/20 is a movement supported by Duke University, which focuses on strengthening and increasing awareness of existing health initiatives. They are looking for a communications intern to develop a social media plan to bring awareness to the issue. The intern will create and source content across their media platforms, promote policies, plan and bring awareness to events, create videos and more. If interested, apply [here](#).

UNC-TV (Raleigh, NC)– UNC-TV is seeking an intern to help support UNC-TV's social media channels and assist with special projects. The intern will provide product/service/platform support via email and social media messaging to establish brand loyalty. They will work with management on projects dealing with social media and digital campaigns, provide analysis on social posts, and work with management on projects dealing with social media and digital campaigns. Applications are due **January 15th**! If interested, apply [here](#).

CBS News (New York, NY) (PAID) – The CBS News internship program is looking for interns to help them on shows such as The Evening News, 60 Minutes, 48 Hours, CBS This Morning, Sunday Morning, Newspath, News Radio, Talent Strategy, CBSN, Press Office, Weekend News and more. Interns will learn fundamental news-gathering skills; find, confirm and report news stories; greet guests; log tapes;

coordinate script; research stories; conduct preliminary interview; assist during shoots, and more.. If interested, apply [here](#).

The New York Post (New York, NY) – The New York Post is looking for a Sunday team intern for this summer. The intern is encouraged to share their story ideas, with the expectation that we would assign the intern to execute an approved story idea (often pairing them with a Sunday staff reporter). The intern will sometimes be assigned to go to a location and report, gather quotes, observe, etc., and then feed those notes to the lead reporter on a story. Sometimes an intern will be asked to help write a story. If interested, apply [here](#).

Gravillis Inc. (Los Angeles, CA)(PAID) – Gravillis Inc, a boutique graphic design studio, is looking for a graphic design intern who holds a passion for film and television. The intern will learn the presentation process, assemble presentations, assist the organization of computer files & artwork and help with on-line research. The intern will assist the creative directors, print and mount presentations, maintain studio functionality and more. If interested, apply [here](#).

The Walt Disney Company (Burbank, CA) – The Walt Disney Company is looking for a post-production/ visual effects intern for this summer. The intern will maintain database of facilities, VFX Supervisors, VFX Producers with availability, rates, vendor projects, and types of shows for which each may be appropriately utilized. They will also create and update Show Files, post databases and more. If interested, apply [here](#).

Red Hat (Raleigh, NC) - The Red Hat Digital Marketing Strategy team is looking for a skilled Digital Activation Intern to join our Digital Activation team. In this role, you will support marketing strategies to increase funnel progression through segmentation, life cycle automation, email marketing, paid media, and optimization analytics. You'll get the opportunity to gain real-world digital demand generation experience. Good opportunity for a Media Analytics student. Apply [here](#).

MediaCom (New York, NY)(PAID) – is offering a 9 week, full time, paid internship working alongside other advertising enthusiasts to discover all media has to offer. Get a first-hand perspective of day-to-day life at a media agency and resources to learn the programs/tools and processes used in the industry. Apply [here](#).

The School of Communications strives to provide accurate information to students from legitimate employers. Because of the volume of internship postings received by our office, we cannot screen every listing. We do not endorse the products or recommend the services of any of the employers listing internships through our office. We are not responsible for the safety, wages, working conditions or other employment aspects of any internship listed here. Students are urged to use common sense, caution, and practice due diligence in researching employers before applying for any internship positions within a business or organization.
