The School of Communications strives to provide accurate information to students from legitimate employers. Because of the volume of internship postings received by our office, we cannot screen every listing. We do not endorse the products or recommend the services of any of the employers listing internships through our office. We are not responsible for the safety, wages, working conditions or other employment aspects of any internship listed here. Students are urged to use common sense, caution, and practice due diligence in researching employers before applying for any internship positions within a business or organization.
