Apply on **EJN** by **Friday, October 21st**

Bloomberg L.P. (PAID) (New York, NY) - Bloomberg News is looking for a news intern to join their newsroom for summer 2023. When joining the newsroom, you may have the opportunity to be placed into a variety of teams including but not limited to, Autos, Energy, Broadcast, Technology, Equities, Real Estate, Health, QuickTake, and more. As an intern, you'll conduct interviews, dig into data and collaborate with colleagues in our bureaus across the world.

Apply on **EJN (ID: 67678)** by **Monday, October 24th**

Toll Brothers (PAID) (Fort Washington, PA) - This paid summer internship offers you the opportunity to be exposed to how a luxury goods company operates, to gain insight into the inner workings of marketing to an upscale clientele, and to participate in experience-building projects. In this role, you will offer administrative support and assistance to the Email Marketing team. Some of the responsibilities will include (but are not limited to) proofreading & copywriting, evaluating marketing emails, and providing feedback that is representative of our luxury brand and its best practices. This internship is for a student who has two or three years of college education in Marketing, Communication, Web Development/Design, or a related field.

Apply on **EJN (ID: 70061)** by **Monday, October 24th**

Elon University - Office of Alumni Engagement (PAID) (Elon, NC) - Reporting to the Assistant Director of Regional Alumni Engagement, the Social Media & Graphic Design Intern is responsible for assisting the Regional Alumni Engagement team and the Alumni Engagement team with social media content creation for the alumni audience and project-based graphic design needs related to various events and event series. Additionally, this position will assist in developing a content strategy for Regional Alumni Engagement and the social media and communication accounts for the 38 regional alumni chapters.

Apply on **EJN (ID: 71225)** by **Friday, October 28th**

Lumen (PAID) (Remote) - Lumen's North America Operations organization is looking for a Communications Intern on the Field Operations and Network Implementation team. The team assists our network inventory and technician support center. The summer intern will support the frontline workers who are supporting our fiber build, the engineers who oversee the build and how to build it by communicating to our sales division on how to make the sales to customers in the region. Day-to-day responsibilities include effectively communicating what the goals are and how they are reached, bringing new ideas and effectively telling a story in a captivating and visual manner.

Apply on **EJN (ID: 70954)** by **Friday, October 28th**

Cisco (PAID) (Raleigh, NC) - The Communications Specialist Intern will enhance and expand their communications skills by completing a 12-week summer internship in a fast-paced, cross-functional environment. You will take part in a variety of development opportunities, networking events, volunteer and social activities throughout the summer. Apply on **EJN (ID: 71023)** by **Monday, October 31st**

Student Conservation Association (Arlington, VA) - This 2023 internship will employ a student to assist with a variety of digital and social media projects for Wolf Trap National Park for the Performing Arts. The intern will create timely, relevant digital content for the park's social media channels (Facebook, Twitter, and Instagram). The intern will capture footage to create short-form videos, contribute to the park's photo library, and create visually appealing informational graphics. Apply on **EJN (ID: 71423)** by **Wednesday, November 2nd**

Seattle Art Museum (SAM) (PAID) (On-Site in Seattle, WA or Remote) - Partnering with SAM's Director for Equity, Diversity, and Inclusion, this intern will help tell the story of the museum's ongoing work to address the effects of structural racism and build a more inclusive environment for our staff, volunteers, visitors, and community. The intern will help gather/organize information related to SAM's DEI/community partnership initiatives, craft clear communications about these initiatives for presentations/reports, update content for SAM's internal equity page, and present a report to the SAM Board of Trustees. The internship is set to start January 4, 2023 but scheduling is flexible. Apply on **EJN (ID: 71350)** by **Wednesday, November 2nd**

The Home Depot (PAID) (Remote) - The Home Depot's Summer Internship program offers college students an opportunity to develop leadership skills and gain hands on experience in a corporate environment. During an 11-week period from May 15 - July 28, 2023, interns will be assigned to a functional team such as Supply Chain, Marketing, e-commerce, Technology, Finance, Operations, Merchandising, Outside Sales & Services, Human Resources, etc. Communications interns will learn more about our retail business and our corporate offices while having the opportunity to work on a pre-assigned project that impacts the function they are supporting. Additionally, interns participate in networking and development activities that set them up for success as they build their careers. Apply on **EJN (ID: 69749)** by **Tuesday, November 8th**

Dow Jones (PAID) (Nationwide) - The Dow Jones News Fund seeks college students for paid summer internships with media organizations across the country. Interns attend one-week training programs before reporting to work in paid internships at top media companies for 10 to 12 weeks. Available internship programs include audience engagement, data journalism, digital media, and multiplatform editing. Apply on **EJN (ID: 70159)** by **Monday, November 14th**

Fitnancial Solutions (PAID) (Remote) - Fitnancial Solutions is looking for a Digital Marketing Intern for the spring. Internship responsibilities include researching potential podcast guests, assisting with social media content creation/strategy, assisting with email marketing/copywriting, and preparing pitch materials/media kits. Apply on **EJN (ID: 70365)** by **Monday, November 14th**

Wolf Trap Foundation for the Performing Arts (PAID) (Remote) - Wolf Trap is offering spring internships in different areas of communications including public relations/social media, graphic design, marketing, publications and education communications. Select positions will require interns to be located in the DC metro area for the duration of their internship assignment but the majority positions are remote. Apply on **EJN (ID: 70794)** by **Tuesday, November 15th**
