

New Permissions – Canceling Evaluations

If you or a CT enter an evaluation in the wrong area or need to edit a submitted evaluation, you can now cancel it. Don't worry – you don't have permissions to permanently delete anything! The canceled evaluation won't be visible to the student, but it will be in the administrative evaluation history view.

FALL					
SIP ANALYSIS	CT DISPOSITIONS (no submission req'd)	MT DISPOSITIONS (no submission req'd)	MT OBSERVATION (no submission req'd)	CT OBSERVATION (no submission req'd)	NCEES COMBO (no submission req'd)
