"The students top-to-bottom were some of the best I have ever had the pleasure of interviewing. When I was ranking the students, I found it quite difficult to differentiate between 'best.' I think that this speaks volumes to Elon University and the job that each of you and the students have done to prepare for interviews."

John Chidester
PNC Bank

WHERE ELON GRADUATES ARE TODAY

“Connect with Career Services sooner rather than later. There is no better way to get a jump start on planning for and determining your career path, even if it’s only to get help creating your resume for the first time.”

Phoebe Hyde, Class of 2013

Academic Internships

Close to **87%** of Elon graduates complete at least one internship.

Nearly **40%** of graduates credit their internship as the primary reason they were hired.
