ELON GRADUATES LEADING THE WAY

First Destination Outcomes Post-Graduation Survey Results

* Based on nine-month post-graduation survey results.

Graduates by Employment Location

“It has been a privilege to lead EY’s recruiting efforts at Elon these past two years. I continue to be impressed with the caliber of the students and their overall preparedness to join EY and immediately make a contribution. In this truly global world that we live in today, it is an added benefit how globally astute and aware the Elon students are.”

Michael DeStefano
EY

ELON GRADUATES LEADING THE WAY

“As an intern at EY, I appreciated that we could help clients determine high-impact practices to improve their efficiency and positive impact. I resonated with EY’s mission statement of ‘building a better working world’ and was excited to return after my internship turned into a full-time job offer.” **Savannah Josey, Class of 2022**

Academic Internships

University data has found that students who prepare for professional roles through internships are more likely to be hired upon graduation.
