## Eric Edwin Hall

Eric E. Hall, Ph.D., FACSM  
Professor of Exercise Science  
Faculty Athletics Representative  
Elon University  
Campus Box 2525  
Elon, NC 27244  
Tel: (336) 278-5880  
Fax: (336) 278-4154  
E-mail: [ehall@elon.edu](mailto:ehall@elon.edu)

### EDUCATION

- Ph.D. (2000) University of Illinois at Urbana-Champaign, Urbana, IL.  
Major area: Kinesiology; Specialization: Exercise Psychology  
Dissertation title: "Predicting self-reported affective responses to exercise: An examination of individual differences."  
Dissertation Abstracts International, Section A: Human and Social Sciences, May 2001; Vol. 61 (10-A): 3938.  
Committee: Steven J. Petruzzello (committee chair), Edward McAuley, Richard Washburn, and Gregory Miller
- M.S. (1997) University of Illinois at Urbana-Champaign, Urbana, IL.  
Major area: Kinesiology; Specialization: Exercise Psychology  
Thesis title: "Brain activation and psychological health as a function of physical activity in older adults."  
Committee: Steven J. Petruzzello (committee chair) and Edward McAuley
- B.S. (1994) Miami University, Oxford, Ohio.  
Magna Cum Laude  
Majors: Exercise Science and Sport Organization  
Minor: Nutrition

### PROFESSIONAL EXPERIENCE

- 2012 – Present Professor of Exercise Science, Department of Exercise Science, Elon University, NC
- Fall 2017 Visiting Faculty in Psychology, DIS – Study Abroad in Scandinavia, Copenhagen, Denmark
- 2010 – Present Adjunct Associate Professor of Exercise Science, Department of Exercise Science, University of North Carolina – Greensboro
- 2014 – 2015; Visiting Scholar to the Graduate School, Duke University.  
2012 – 2013
- 2006 – 2012 Associate Professor of Exercise Science, Department of Exercise Science, Elon University, NC. Promotion awarded March 2012.
- 2000-2006 Assistant Professor of Exercise Science, Department of Health and Human Performance, Elon University, NC. Tenure awarded March 2006.

# Eric Hall Curriculum Vitae

---

- 1999-2000 Graduate Research Assistant, Psychophysiology Training Grant, Department of Psychology, University of Illinois at Urbana-Champaign
- 1994-2000 Graduate Teaching Assistant, Department of Kinesiology, University of Illinois at Urbana-Champaign.
- 1996-1997;  
1998 Graduate Research Assistant, Department of Kinesiology, University of Illinois at Urbana-Champaign.

## RELATED PROFESSIONAL EXPERIENCE

- 1998 - 2000 Study Hall Monitor and Building Supervisor, Department of Intercollegiate Athletics, University of Illinois at Urbana-Champaign
- 1999 Summer Graduate Research Assistant, Department of Political Science, University of Illinois at Urbana-Champaign
- 1998 Summer All-Campus Teaching Assistant Orientation Facilitator, Office of Instructional Resources, University of Illinois at Urbana-Champaign
- 1997 Exercise Leader, Illinois Active Aging, Department of Kinesiology, University of Illinois at Urbana-Champaign.
- 1994 Exercise Leader, Masters Thesis Project entitled “The effect of a practical resistance training intervention on mobility in independent, community-dwelling older adults”, Miami University, Oxford, Ohio.
- 1993-1994 Facility Supervisor, Office of Recreational Sports, Miami University, Oxford, Ohio.
- 1993-1994 Tutor, Office of Learning Assistance, Miami University, Oxford, Ohio.
- 1993 Exercise Leader, Health Enhancement Program, Miami University, Oxford, Ohio.

## EDITED BOOK

**Hall, E.E.**, & Ketcham, C.J. (Eds.). (2017). *Concussion in athletics: Assessment, management and emerging issues*. Hauppauge, NY: Nova Science Publishers.

## ARTICLES IN REFEREED JOURNALS

Cavarretta, D., **Hall, E.E.**, & Bixby, W.R. (in press). The effects of increasing training load on affect and perceived exertion. *Journal of Strength and Conditioning Research*.

Brown, L.A., **Hall, E.E.**, Ketcham, C.J., Patel, K., Buckley, T.A., Howell, D., & Vallabhajosula, S. (in press). Turn characteristics during gait differ with and without a cognitive demand among collegiate athletes. *Journal of Sport Rehabilitation*, <https://doi.org/10.1123/jsr.2018-0129> PMID: 30860425

Sullivan, M., Carberry, A., Evans, E.S., **Hall, E.E.**, & Nepocatych, S. (in press). The effects of power and stretch yoga on affect and salivary cortisol in women. *Journal of Health Psychology*. DOI: 10.1177/1359105317694487 PMID: 28810420

## **RESEARCH GRANTS RECEIVED**

“Optimizing evidence-based strategies to increase sport-related concussion reporting by collegiate student-athletes.” Funded \$399,996 from NCAA and DOD Mind Matters Grand Challenge. Will serve as a paid consultant with David Wyrick being the Principal investigator.

“The Elon Concussion Project: The influence of Concussion History and Genetic Markers on Cognitive Performance in College Students-Athletes.” Funded \$16,060 from American Medical Society for Sports

## Eric Hall Curriculum Vitae

---

Medicine. Co-investigators: Dr. Ken Barnes, Walter Bixby, Paul Miller and Stephen Folger. February 2012.

“The Elon Concussion Project: A multi-faceted examination of concussion history in student-athletes.” Funded \$5000 and \$8000 summer fellowship from Faculty Research and Development Committee. Fall 2011.

“Influence of concussion history on cognitive performance in college student-athletes: A cross-sectional and longitudinal examination.” Funded \$16,995 from American Medical Society for Sports Medicine. Co-investigators: Dr. Ken Barnes, Walter Bixby, Paul Miller and Stephen Folger. January 2011.

“Exercise is Medicine™: An important public health initiative to encourage physical activity.” Funded for \$2250 from Fund for Excellence in College of Arts and Sciences. Co-investigators: Drs. Paul Miller, Cynthia Fair, Stephen Bailey and Professor Amanda Tapler.

“Examination of cognitive function through event related potentials.” Funded \$4340 and \$8000 summer research fellowship from Faculty Research and Development Committee. Summer 2010.

“Cogito Elon sum: A proposed interdisciplinary approach to neuroscience at Elon University.” Funded for \$5000 from Fund for Excellence in College of Arts and Sciences. Co-investigators: Drs. Amy Overman, Caroline Ketcham, Mat Gendle and Robert Vick.

“Developing laboratory experiences examining the influence that exercise and sport have on cognitive functioning.” Funded \$4000 from Academic Technology and Computing Committee. Co-investigator: Dr. Walter Bixby.

“Implementation of inquiry-based learning techniques in exercise science courses.” Funded \$3600 from Center for Advancement of Teaching and Learning. Summer 2007. Co-investigators: Dr. Walter Bixby and Dr. Paul Miller.

“Using strengths-based education to develop cultural awareness and personal growth during a study abroad course.” Funded \$2200 from Center for Advancement of Teaching and Learning. Fall 2006. Co-investigator: Angela Passarelli.

“Psychophysiological aspects of exercise: Examination of brain activity, affect and perception.” Funded \$4200 and sabbatical from Faculty Research and Development Committee. Summer and Fall 2007.

“Predicting affective responses to exercise: Examination of brain activity and personality.” Funded \$1200 from Faculty Research and Development Committee. Summer 2006

“Lactate and exercise.” Funded \$670 from Undergraduate Research Program for purchase of a portable lactate analyzer. Summer 2005

“EEG measurement during aerobic exercise.” Funded \$4800 from Faculty Research and Development Committee at Elon University for a software package for data analysis. Co-investigator: Dr. Stephen Folger.

### **RESEARCH GRANTS APPLIED**

“Unresolved Post-Concussion Balance Deficits and Subsequent Musculoskeletal Injury.” NATA Research and Education Foundation Grant. My role: Co-Principal Investigator. Submitted February 2016. Requested \$57,500.

# Eric Hall Curriculum Vitae

---

“Increasing concussion disclosure among athletes.” Phase I STTR grant. My role: Co-investigator. December 2015. Requested: \$206,631.

“Unresolved Post-Concussion Balance Deficits and Subsequent Musculoskeletal Injury.” NIH Exploratory/Developmental Research Grant (R21) - . Submitted October 2015. My role : Co-Principal Investigator. Requested: \$275,000

“What is beauty?” National Endowment for the Humanities Enduring Questions Grant. My role: Principal Investigator. September 2015. Requested: \$27,890.

“Increasing concussion disclosure among athletes.” Phase I STTR grant. My role: Co-investigator. December 2014. Requested: \$206,631.

“Identification of Persistent Impairments in Postural Control Following Concussion.” NIH Academic Research Enhancement Award (AREA - R15). My role: Principal Investigator. October 2014. Requested: \$477,067.

“What is beauty?” National Endowment for the Humanities Enduring Questions Grant. My role: Principal Investigator. September 2014. Requested: \$32,962.

“Elon BrainCARE Post-Career Study: A longitudinal assessment of genetics and concussion history on performance and quality of life in student-athletes.” Submitted April 2013 to National Collegiate Athletic Association. Requested: \$300,740. Co-investigator: Dr. Caroline Ketcham.

“Access and Barriers to Experiential Learning and Career Development Opportunities for Elon University (Division I) Student-Athletes.” Submitted August 2011 to Knight Commission on Intercollegiate Athletics. Requested: \$25,000. Co-investigator: Dr. Caroline Ketcham.

Life Time Fitness Student Research Grant (1998, 1999)

American College of Sports Medicine Student Grant (1998)

## **CERTIFICATIONS**

Prime for Life: On Campus Talking about Alcohol (Summer 2000)

Graduate Teaching Certification (University of Illinois, 1999)

## **AWARDS AND HONORS**

- Center for Engaged Learning Senior Scholar (2018)
- Distinguished Scholar Award (2016)
- Japeth E. Rawls Professor for Undergraduate Research in Science (2013)
- Omicron Delta Kappa (2011)
- Ward Family Excellence in Mentoring Award (2010)
- Sustainability Faculty Scholar (2008)
- Fellow of the American College of Sports Medicine (2006)
- Elon University School of Education Faculty Award for Excellence in Scholarship (2006)
- Panhellenic Excellence in Teaching award (2005)
- R. Randy Rice Service Award from the North Carolina Housing Officers (2004)

## Eric Hall Curriculum Vitae

---

- Graduate College On-Campus Dissertation Research Grant (2000)
- Midwest American College of Sports Medicine Research Award (1999)
- Life Time Fitness Student Research Grant Finalist (1998)
- Honorarium, Multidisciplinary Institute on Aging, Ohio Department of Aging (1998)
- Excellent and Outstanding Teachers List (Fall 1994 – Fall 1996; Fall 1997 – Spring 2000)
- Graduate College Travel Grant (Fall 1996, Spring 1997, Spring 1998, Spring 1999, Fall 1999)
- Huelster Travel Scholarship (Fall 1996, Spring 1997, Fall 1997, Spring 1998, Fall 1998,
  - Spring 1999, Fall 1999, Spring 2000)
- College of Applied Life Studies Travel Award (Spring 1997, Spring 1998, Spring 1999,
  - Fall 1999)
- Department of Kinesiology Travel Award (Fall 1996, Spring 1997, Spring 1998, Spring 1999,
  - Fall 1999)
- Travel Award to Affective Neuroscience Conference, Madison, WI (Spring 1998; Spring 1999)
- Honor Society of Phi Kappa Phi (1996)
- Hays Sports Studies Scholarship (1993)
  - Outstanding sports studies major in the Physical Education, Health, and Sports Studies Department.
- Ohio Association of Health, Physical Education, Recreation, and Dance Memorial Scholarship (1993)
  - Awarded to top male in state of Ohio.
- Dean's and President's List
- Golden Key National Honor Society
- Association for Worksite and Health Promotion
  - Vice-President (1992/1993)
- Alpha Lambda Delta/Phi Eta Sigma – Honor Society (1991)
