SUMMER PROGRAM!

A group of people are gathered around a circular stone fire pit at night. The fire is burning brightly in the center. Several people are sitting on wooden Adirondack chairs around the fire pit, while others are standing nearby. In the background, there is a large, two-story brick building with a prominent portico supported by white columns. The building has a sign that partially reads "OFFIT". The scene is lit by the fire and some outdoor lighting. The overall atmosphere is warm and social.
