► Academic Coaching

- The deadline to request an academic coach for the current fall semester has passed. Currently, you can proactively request an academic coach for the spring semester. To request, email Ms. W-K at ewinterichknox@elon.edu and include 1) what class you are requesting, 2) your teacher's name, and 3) your general availability after school.
-
- If you are currently working with an academic coach, please be sure to ask them when their final dates for coaching will be as Elon's semester ended in early December and many Elon students are off campus in January.
