

Elon Academy Saturday Program

September 7, 2024

(Scholars and families)

9:00 am – 12:30 pm

Next Saturday Program
October 19th (***Scholars only***)

Welcome back scholars and families!

We look forward to seeing you on campus! Please arrive by 8:50 am to allow time for check-in so we can keep to our schedule. The check-in tables are located in the lobby of Koury Business Center (KOBC). After check-in, scholars and families will gather in KOBC 101 (directly off the lobby) for morning meeting.

Parking is available in the Colonnades lot behind KOBC- we cannot park in the admissions lot or The Inn at Elon as these are reserved spaces and parking there could result in your car being towed. **On the day of the program, scholars or families may call (336) 278-6109 for help navigating campus, if needed.**

If, prior to programming, a scholar or family member feels sick or is aware of exposure to COVID-19 they should NOT attend the program. If you have concerns about health and safety, please contact the Elon Academy office. At this time, wearing a mask indoors is optional. We ask scholars to communicate their absence by emailing or calling their college planning faculty or contacting elonacademy@elon.edu. As a reminder, the expectation is that all scholars will attend every Saturday program. **There is no option to attend virtually.** Excused absences are given only for sickness, family emergency, exposure to COVID-19, or death in the family. School related (e.g. marching band events), sports conflicts, and work are not excused absences. Missing a Saturday program will put a scholar behind in important college planning work that they are unable to “make up.”

Scholar Announcements

If you have not sent your **fall schedule to Ms. Starling** please do so.

Bring your Phoenix Card with you for Saturday.

CAT Mentor meetings begin this month. We expect you to meet with your CAT Mentor once in September, October, and November. Please respond promptly to your CAT Mentor and communicate meeting plans to your family. CAT mentors will likely reach out initially using your Elon email address; so please continue to check your Elon email regularly (at least twice per week). If you have any difficulty accessing your Elon email, please contact Elon’s campus technology department at 336-278-5200.

All scholars have access to free academic coaching (trained Elon University students) for their core subjects (e.g. math, English, science, history) and may request a coach for the fall semester until **November 1**. Coaching request forms are available on our website under the For Scholars and Families tab. **Academic coaching may take place virtually (e.g. via Skype, Zoom, FaceTime) or in person.**

PSAT: All sophomores should be taking the PSAT on October 14th. The PSAT is only offered one time each year so it’s very important to do everything you can to avoid missing out on taking this exam. Please pay close attention to school announcements regarding the PSAT. If you have questions about the PSAT at your school, contact your school counselor or testing coordinator.

SAT Fee Waivers: All juniors are now eligible for SAT fee waivers. You are eligible for two fee waivers which allow you to take the SAT twice at no cost. To obtain your fee waiver, you must reach out to your school counselor. As a reminder, Elon Academy does not have fee waivers for the SAT. The only place you can get these is from your school counselor’s office.

It is important that you provide your own transportation whenever possible. We do not have the staff to pick up large numbers of students. If you need a ride, call the Elon Academy office at 336-278-6109 by the **WEDNESDAY** before EVERY Saturday program.

Upcoming Events

September 20th - Registration Deadline for the October 5th SAT

October 18th - Registration for the November 2nd SAT

September 20th - Registration for the October 26th ACT

College Application Week October 21-27

Family Corner

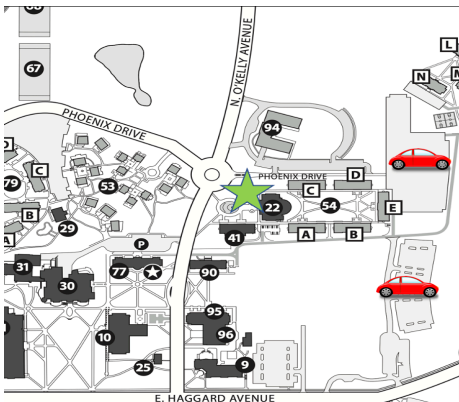

We look forward to working with you throughout the academic year! If you are unable to join us for family programs, but would like information on what was presented, please contact Dr. Kim Pyne at kpyne@elon.edu. Our website has important dates (e.g. Saturday programs, summer program), pictures and bios of our staff, including CAT Mentors, and information on community resources.

2025 Summer Program: June 8th-27th, 2025 with scholars returning home on weekends (more information to come). **Scholars are expected to attend the entire three weeks. Please do not plan vacations, routine doctor's appointments, senior pictures, or driver's education during these dates. Scholars should communicate these dates ASAP to sports coaches and/or employers.**

Did you know we regularly send scholars emails? The Elon Academy regularly shares community resources (e.g. food distribution, volunteer opportunities), tips for emotional well-being and academic success, and program updates via email to scholars.

College Access Team (CAT) mentoring begins in September and scholars should meet with their mentor 3 times per semester (generally September, October, November and February, March, April). We encourage scholars to meet with their CAT Mentor in person. We ask scholars to schedule these meetings independently and communicate their plans well in advance to their families. We hope that maintaining their own schedule allows scholars to practice important skills for college.

All scholars have access to free academic coaching (trained Elon University students) for their core subjects (e.g. math, English, science, history) and may request a coach for the fall semester until **November 1**. Coaching request forms are available on our website under the For Scholars and Families tab. **Academic coaching may take place virtually (e.g. via Skype, Zoom, Facetime) or in person.**

Koury Business Center and Sankey Hall Directions

Take Highway 70 West/South Church Street to Williamson Avenue. Turn right on Williamson. Follow this road for 1.7 miles. You will cross railroad tracks as you enter the campus area. Continue through the stoplight. Turn right on Haggard Avenue. Turn left on O'Kelly Avenue. Koury Business Center and Sankey Hall will be on your right.
