University Transfer

The North Carolina Community College System:

- Unified two separate educational institutions — junior colleges and industrial education centers.
- In 1963, they were united as the North Carolina Community College System (NCCCS).

University Transfer

The North Carolina Community College System:

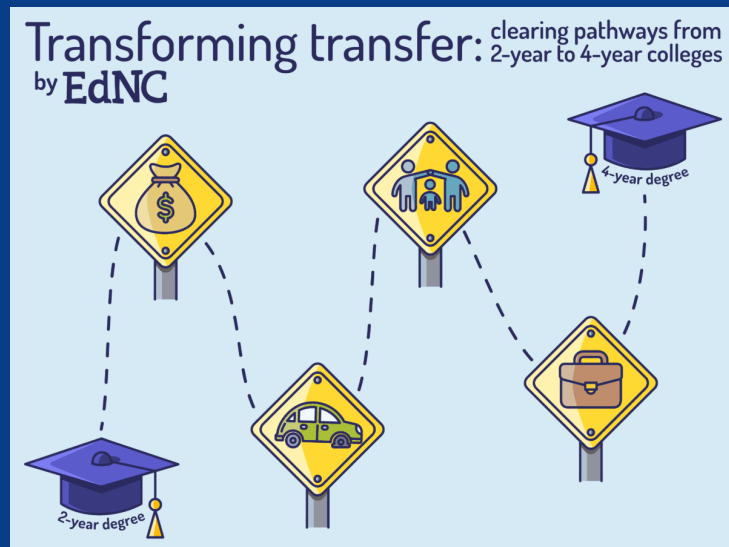

- ❑ In 1995, the General Assembly mandated common course numbering among community colleges.
- ❑ In 1997, the first Comprehensive Articulation Agreement (CAA) was signed.
- ❑ An agreement signed that set the rules for transferring credit between the 58 community colleges, 16 UNC System schools, and signatory independent colleges and universities.

University Transfer

The North Carolina Community College System:

In 2007, the first Independent Comprehensive Articulation Agreement (ICAA) was signed between the state's independent colleges and universities and the community college system.

In 2014, the CAA was updated.

University Transfer

- **University Transfer**
 - **College transferable courses covered by the Comprehensive Articulation Agreement (CAA)**
 - CAA is a statewide agreement governing the transfer of credits between NC community colleges and NC public universities and has as its objective the smooth transfer of students.
 - The CAA provides certain assurances to the transferring student; for example:
 - Assures admission to one of the 16 UNC institutions (Transfer Assured Admissions Policy)
 - Enables NC community college graduates of two-year Associate in Arts and Associate in Science degree programs who are admitted to constituent institutions of the university of NC to transfer with junior status.
