By signing the following application, I am acknowledging that I wish to be accepted into the Elon Academy. My signature indicates that if I am accepted into the Academy I will make the Elon Academy a major priority in my life. I understand that full participation in the program is essential to my success and *agree not to plan vacations and other activities that conflict with the Elon Academy program*. I will participate fully (i.e., attend all three, consecutive summer sessions and participate in monthly Saturday programs and mentor meetings during the academic school year).
