

OFFICE OF SPONSORED PROGRAMS

NIH Principal Investigator Assurance of Compliance Statement

Per NIH Guide Notice NOT-OD-06-054, NIH has eliminated the requirement for the signature of the Principal Investigator (PI) as part of the applications. Instead, HHS has instituted a new compliance requirement whereby the applicant organization must secure and retain an assurance from PIs prior to submitting an electronic application to HHS. In order to comply with the NIH requirement, please complete this form.

I _____
certify the following with respect to the electronic grant application/progress report titled:
Grant Title:

Grant # (if known): _____
Funding Agency:

Proposed Project Start/End Date: _____ - _____

Date of Submission: _____

1. That the following information submitted within the application is true, complete and accurate to the best of my knowledge.
2. That any false, fictitious, or fraudulent statements or claims may subject me to criminal, civil or administrative penalties and
3. That I agree to accept responsibility for the scientific conduct of the project and to provide the required progress reports if a grant is awarded as a result of the application.

PI Name: _____

PI Signature: _____ **Date:**

Important Note: When multiple PIs are proposed in a PHS application, each PI must complete and submit a separate copy of this form.
