The Story Behind the Scholarship

As an Elon student, Douglas Cox '78 worked for Alamance Memorial Hospital, now Alamance Regional Medical Center, with Helen Cates. Doug and Helen became close friends and over the years that friendship has grown. Helen's love and concern for others was immediately evident to Doug. He has observed in Helen a lifetime of unselfish giving, compassion, and caring for those in need. Doug has been influenced by the patience, humility, and kindness he has seen in Helen.

To acknowledge their many years of friendship and to express his admiration for his special friend, Doug honored Helen by creating an endowed scholarship at Elon in her name. The scholarship provides financial assistance for Elon students who, like Helen, will be committed to serving others.
