

ELON

UNIVERSITY

Student Achievement and Success 2021-2022

To fulfill its mission, Elon University monitors student achievement and success in multiple ways during the time students are enrolled and once they have graduated. Examples of Elon’s goals for student achievement and the success of students in achieving those goals are provided below. These include first- to second-year retention, persistence to degree (graduation rate), participation in selected high impact practices, outcomes for licensing examinations, and students’ success in securing jobs or continuing their education after graduation. To benchmark student success in achieving the goals, Elon University uses information from the sources identified below.

Persistence to Degree (Graduation Rate)

Goal: Elon’s four, five, and six year graduation rates will exceed the median for 2021 Basic Carnegie Classifications that includes Doctoral very high research, Doctoral high research, and Doctoral/Professional Universities (source: IPEDS)

In accordance with the Boldly Elon Strategic Plan, the University is striving for a 4-year graduation rate of 85% and a 6-year graduation rate of 90%.

NOTE: Undergraduate retention and graduation rates reported based upon reported IPEDS guidelines for establishing cohorts (i.e., full-time, first-time bachelor’s degree students). These rates use the same methodology and correspond with rates reported to SACSCOC, Common Data Set, and various college guides/rankings.

4-Year Graduation Rate

Elon and IPEDS figures are for 2015 entering first-year students

5-Year Graduation Rate

6-Year Graduation Rate

Historical information can be found in the [Elon University Fact Book](#).

Historical information can be found in the [Elon University Fact Book](#).

Retention from First- to Second-Year

Goal: *Elon's first-to second –year retention rates will exceed the median for 2021 Basic Carnegie Classifications that includes Doctor's degree - research/scholarship, Doctor's degree - professional practice, Doctor's degree - other (source: IPEDS Trend Generator)*

Elon: 2020-21 entering first-year students as compared to Doctorate schools 2020-21 cohort who came back in Fall 2021

Historical information can be found in the [Elon University Fact Book](#).

Elon Experiences

Elon University tracks student participation in each of the five Elon Experiences (Global Engagement, Service, Internship, Leadership, and Research). [Click here](#) for additional information regarding the Elon Experiences. Although no benchmarks comparable to Elon's internal data are available for participation in these experiences, participation is reviewed each year for bachelor degree recipients. Data for 2021 graduates is provided below.

Experience	Experience	Percentage of 2021 graduates participating in the experience
Global Experience	Study Abroad	73%
	Study USA	8%
	Global Experience of any kind	77%
Service	Completed service hours	84%
Internship	At least 1 internship for academic credit	81%
	Reporting an internship on graduation survey (for credit or not for credit)	88%
Leadership	Held at least one leadership position	58%
Research	Independent research for credit	24%

High Impact Educational Experiences

Consistent with the Elon University Mission Statement to provide a dynamic and challenging undergraduate curriculum, integrate learning across disciplines, put knowledge into practice, prepare students to be global citizens, and to foster an ethic of service, Elon University strives to provide all students with access to high impact practices as articulated by Association for American Colleges and Universities (AAC&U). [Click here](#) for more information about high impact practices and the educational benefits for students engaging in these experiences.

Goal: Elon seniors will have engaged in the following high impact practices at rates higher than national averages as indexed by responses to the [National Survey of Student Engagement \(NSSE 2022\)](#).

*Indicates that the high impact practice is one of the Elon Experiences.

Writing

Elon University has embarked on an ambitious plan to make writing a signature experience of an Elon education. The [Writing Excellence Initiative](#) was developed as the institution's quality enhancement plan for Elon's 2013 SACSCOC reaffirmation.

Additional Recognition for High Impact Practices

Elon University has been recognized by 2022 [U.S. News & World Report](#) for **all 8** high-impact educational programs in "Academic Programs to Look For." Based on a survey of higher education leaders across the country, Elon is noted for excellence in **study abroad, internships, service learning, undergraduate research, learning communities, first-year experiences, senior capstones, and writing in the disciplines.**

The Institute of International Education's Open Doors 2020 report ranks Elon University **#1** for masters-level universities for the total number of students who **studied overseas**. Elon has been the top ranked masters-level institution for several years.

Elon University has been named to the Presidential Honor Roll for **Service** by the Federal Corporation for National & Community Service every year since 2006.

Post-Graduate Employment and Graduate/Professional Education (2021 Graduates)

Goal: Within one year of graduation, Elon graduates will have secured employment or admission to graduate or professional school at rates that meet or exceed the averages reported by the [National Association of Colleges and Employers](#) First Destination report.

Graduates may be both employed and continuing their education. When graduates are counted only once, 95% of 2021 graduates are employed, have been accepted to graduate or professional school, are completing a post-graduate internship/fellowship, or are working for a service organization (e.g., Peace Corps, Teach for America). The survey response rate was 88%.

92% of 2021 graduates who are employed report that the position is related to their career goal.

More detailed and historical information is provided in the [First Destination Reports](#) produced by Elon University's Student Professional Development Center.

Additional indicators of post-graduate success

Elon University is on the annual list of U.S. institutions whose graduates received Fulbright awards. See Research Institutions for the 2021-22 and Master's Institutions for early years. <https://topproducing.fulbrightonline.org/top-producing-institutions-by-year>

Licensing Examinations

One undergraduate program and three graduate programs at Elon culminate in a licensing examination. Recent student success rates are described below.

School of Education

Goal: Elon's education graduates will meet or exceed North Carolina state level pass rates.

Students earning AB or BS degrees in education must complete licensure examination to teach in North Carolina.

School of Health Sciences

Goal: Elon's School of Health Science graduates will meet or exceed national pass rates.

School of Law

Goal: Elon's School of Law graduates will meet or exceed the Ultimate Bar Passage rate goal as established by the American Bar Association (ABA).

Graduate Programs – Completion to Degree and Job Placement Rates

Elon monitors the placement of students who graduate from each of its graduate degree programs. Some programs have different academic calendars and program types (part-time versus full-time). Additionally, the programs measure employment at different lengths of time post-graduation as indicated in the tables. Unless noted, programs are full-time. All programs show the most recent 5 years of data leading up to a completion year of 2022 (Accounting and Higher Education began in 2018).

NOTES: MBA and Business Analytics students can enroll in a full-time or part-time basis.
MED is part-time program

Accounting (MS) Entering Year (Fall)	Number of Students	Completion Year (Spring)	Completion Rate (2 Years)	Employment Rates (*Available March)
