**A BILL REGARDING THE NAME OF THE ORGANIZATION AWARDS AND INAUGURATION CEREMONY**

**WHEREAS:** Every spring, the Student Government Association of Elon University hosts the Organization Awards and Inauguration Ceremony (OAIC), granting awards to organizations and individuals on campus and inaugurating SGA's new Executive Board, and;

**WHEREAS:** In the past, many awards have been named after influential faculty and staff members who have impacted Elon's campus and students, and;

**WHEREAS:** President Leo M. Lambert has served as Elon's president for 18 years and has greatly impacted Elon throughout his tenure here, and;

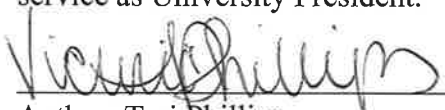

**WHEREAS:** The Student Government Association of Elon University would like to recognize Dr. Lambert and the impact he has had on Elon at this ceremony as we have done for others in the past, and;

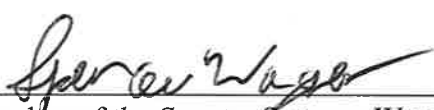

**WHEREAS:** Dr. Lambert embodies the values of many of the awards presented at the Organization and Inauguration Ceremony and one award alone could not do justice to all that Dr. Lambert has done for Elon University. This ceremony gives awards to organizations and individuals who go above and beyond in their leadership, mentorship, service, and many other categories, all of which Dr. Lambert has shown to be dedicated to throughout his time at Elon, therefore;

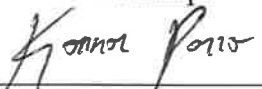

**BE IT RESOLVED BY THE STUDENT GOVERNMENT ASSOCIATION OF ELON UNIVERSITY THAT:**

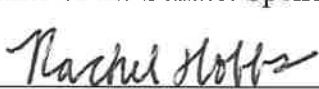

**Article I:** The Organization Awards and Inauguration Ceremony (OAIC) will be renamed the Dr. Leo M. Lambert Awards Ceremony to honor the impact that Dr. Lambert has had on shaping Elon's campus. He has spent his time here representing the values that are present in the winners of each and every one of the awards presented at this ceremony.

**Article II:** This legislation will be presented to President Lambert at the 2017 Senate Dinner as part of Elon University Student Government Association's thanks and debt to him for his service as University President.
