A BILL TO ESTABLISH A STUDENT GLOBAL PHOTOGRAPHY DISPLAY IN THE
MOSELEY CENTER

WHEREAS: Elon University students participate in study USA, study abroad, and global learning programs; and

WHEREAS: Student photography captured during these global experiences reflects the diversity, creativity, and cultural awareness of the Elon University student body; and

WHEREAS: The Elon University Student Government Association previously established the Student Art Exhibition in Moseley Center through S.B. 21 – 5.2 to showcase student creativity and artistic achievement; and

WHEREAS: The Elon Global Photo Contest, orchestrated by the Isabella Cannon Global Education Center, annually collects high-quality student photography from global learning experiences, including Study Abroad, Study USA, and international students studying at Elon University, ensuring a broad and representative pool of student work; and

WHEREAS: Submissions to the contest are reviewed by the Isabella Cannon Global Education Center to ensure they reflect the values of global engagement and inclusion; and

WHEREAS: Providing a dedicated space in the Moseley Center for selected photography from this contest will enhance representation, engagement, and community connection within a central campus location, therefore:

BE IT RESOLVED BY THE STUDENT GOVERNMENT ASSOCIATION OF ELON
UNIVERSITY THAT:

ARTICLE I: The Elon Student Government Association shall establish a dedicated Student Global Photography Display in the Moseley Center to showcase selected student photography from the annual Elon Global Photo Contest.

ARTICLE II: The Elon Student Government Association shall obtain student photography from the Isabella Cannon Global Education Center (GEC) after the Elon Global Photo Contest concludes, and confirm with the Director of Interior Design and the Director of Moseley Center to select photographs from the contest for display.

ARTICLE III: The Elon Student Government Association shall coordinate with the Director of Interior Design to oversee the printing, framing, and installation of selected photos.

ARTICLE IV: The Elon Student Government Association shall allocate \$800 to place Global Student Photography in Moseley Center. These funds may be used for printing, framing, and installation of the photography display.

ARTICLE V: The Elon Student Government Association vests in the Isabella Cannon Global Education the responsibility of updating the display in conjunction with the Elon Global Photo Contest, with new photographs selected following the conclusion of each year's contest. The Elon Student Government shall periodically review the display to ensure its continuance.
