A BILL REGARDING THE RECOGNITION OF PEDESTRIAN SAFETY MONTH AT ELON UNIVERSITY

WHEREAS: Pedestrian safety has been a pressing concern with the Student Government Association (SGA), and we have established the formal Safety Senator position within the SGA in order to address these concerns;

WHEREAS: The month of October is nationally recognized as Pedestrian Safety Month;

WHEREAS: Many students at Elon University have expressed concerns regarding pedestrian safety across campus, such as the following:

- Many areas across campus have low visibility for both vehicles and pedestrians, specifically on East Haggard Ave, including the intersection between Numen Lumen Pavilion and McMichael Science Center, Caroline E. Powell Building to Carol Grotnes Belk Library, and Sloan Residence Hall to Koury Center;
- Vehicles do not yield for pedestrians when they should;
- High traffic areas, such as the aforementioned, lack proper pedestrian signaling, impacting pedestrian safety and traffic patterns, and;

WHEREAS: S.R. 15-5.1 previously pledged to raise awareness for student safety across campus and encourage the student body to contribute to the issue at hand, therefore:

BE IT RESOLVED BY THE STUDENT GOVERNMENT ASSOCIATION OF ELON UNIVERSITY THAT:

ARTICLE I: The Student Government Association will formally recognize the month of October as Pedestrian Safety Month.

ARTICLE II: The Student Government Association will encourage the administration to address the safety concerns that come from the Elon University community.

ARTICLE III: The Student Government Association will encourage the administration to promote educational programming surrounding Pedestrian Safety for the student body, faculty, and staff.

ARTICLE IV: The Student Government Association will launch a safety campaign in the coming months to address pedestrian safety across the campus.

ARTICLE V: We, the Elon University Student Government Association, look to our peers and encourage other student organizations to support this initiative to better pedestrian safety across campus.
