### Some Words of Thanks

We would like to thank the entire GLC for their help organizing and running this event - without that community, Elon Cares would not have been possible.

We would also like to thank the Triad Health Project for dedicating their time and services to this event - it is so inspiring to see first hand where all your generous donations are going.

Finally, a huge thank you to our incredible alumni for all their contributions to our raffle. We were so overwhelmed by the outpouring of opportunities and items they sent in, so thank you!
