

Research Involving Human Subjects

All research projects involving human subjects or human material must be reviewed and approved by the Institutional Review Board ([IRB](#)). All biomedical, social and behavioral research projects conducted by the faculty, the staff and students of the University are subject to the Policies and Procedures of the IRB.

As of June 1, 2024, *students* must complete the [CITI training](#) in addition to their mentor(s) prior to submitting an IRB application.
