District of Columbia (DC)	Meets		
Puerto Rico			Has not determined
Guam (GU)			Has not determined
Northern Mariana Islands (CNMI)			Has not determined
Virgin Islands (VI)			Has not determined

*For these jurisdictions, a requisite number of semester hours of general business or content-specific courses are required. In many circumstances, students have opportunities to complete these requirements through careful planning and course selection in our program. However, it is possible for students to complete our program without meeting the state educational requirements.
