Retirees will automatically be included in the <u>Announcements@Elon.edu</u> listserv and can subscribe to the <u>Community@elon.edu</u> listserv by visiting: <u>www.elon.edu/lists/subscription</u>.

Phoenix ID Card Use

The university's ID Card is the key to receiving many of the services provided to retirees. You will need to go to the Phoenix Card Office in Oaks/McCoy Commons 201 with your phoenix card so your card can be updated to reflect your retiree status. The card can be used for:

- **Belk Library** Retired employees may continue to check out materials and use services of Belk Library with a Phoenix Card.
- Fitness Center The Fitness Center can be used as long as you have a Phoenix card.
- Cultural Events Retired employees with Phoenix ID cards can continue to secure tickets at no charge for universitysponsored programs. Contact the ticket office (336) 278-6750 for calendar and ticket info

After speaking with Admissions, you will need to complete a tuition remission form that can be picked up in the Human Resources Office.

Employee Discount Program

Retired employees are offered the same discounts with some local vendors as current employees. A current list of participating vendors can be found on The Office of Human Resources homepage at <u>http://www.elon.edu/e-web/bft/hr/discounts.xhtml</u>.

Free Flu Vaccine

A flu vaccine is provided free of charge to retired faculty and staff each year at the same time it is provided to the campus community. Because the supply of flu vaccine is sometimes limited, the vaccine will be administered on a first come, first served basis.

Reservation Privileges for the Lodge Property

The lodge property, located on Highway 100 in Elon, can be scheduled through Campus Recreation at (336) 278-7529.

Benefits Available to Retirees Continued

Please update the Office of Human Resources if you move or change email addresses to make sure you are invited to these events.

Meetings with TIAA

Retiree Listing on Elon's Web Site

Retirees can choose to be listed on the online Faculty and Staff Retiree Directory. If you are interested in being listed, please complete the consent form found on page 21 of this booklet and return to the Office of Human Resources. The form can also be found online at <u>www.elon.edu/hr</u> under the retiree section.

Supplemental Health Insurance Plan

The university is offering a supplemental health insurance plan to Medicare that is available for retirees and their spouses. If the retired Elon employee elects to participate in the program, the university will contribute \$100 towards the cost of the monthly premium for the retired employee.

Forms to enroll in the plan can be found in the packet on pages 13-16. If you have any questions about the plan, please contact Benistar directly through their toll free number which can be found in the booklet.

Please contact the Office of Human Resources at (336) 278-5560 if you have any questions about the services identified above.

If you are not ready to enroll in Medicare and the supplemental insurance, you may continue your Elon Group Health, Dental and Vision Insurance Plans by electing COBRA (generally for up to 18 months, dependents up to 36 months).

Please review the information thoroughly as you consider enrolling in COBRA current benefit plans.

Supplemental Health Insurance

As you know, the cost of providing health care benefits is becoming increasingly expensive. This is especially true for retirees who have to rely on Medicare or expensive individual supplemental coverage. While Medicare coverage is a necessity for many retired people, there are limits to the protection it provides. Deductibles and co-insurance charges for medical services, hospitals, skilled nursing facilities, nursing homes, and more are not covered. These out-of-pocket expenses can be hard to pay on a retiree's fixed income.

The university offers a **Supplemental Health Insurance Plan to Medicare** for retirees who are eligible under Medicare and meet the university's eligibility criteria. The medical portion, underwritten by United American, fills in the coverage gaps of Medicare Part A and Part B. The pharmacy portion, underwritten by Express Scripts, provides a prescription drug benefit.

Some of the program features include:

- Group underwriting on a guarantee issue basis (no individual underwriting)
- No pre-existing condition limitations as long as you are coming directly from another group plan or another supplemental plan. If there is a gap in coverage prior to participation in this plan, a six-month pre-existing limitation will apply.

The university will contribute \$100 per month on behalf of each retired faculty or staff member who enrolls in the program. Please note the university's contribution is for retired Elon faculty and staff only. Spouses are also eligible but would have to pay the full monthly premium cost. The contribution made by the university is solely for the purpose of guaranteeing the initial viability of the program. It will never be increased for any current or future participants of the plan, either while the plan is in force or is in transition to a different plan provided by Elon or by another as identified in the following paragraph.

Please keep in mind that this plan is not a continuation of the current Elon group health insurance plan provided to employees but as a supplement to Medicare. As the plan administrator, Elon has the discretionary authority to terminate the plan for new retirees, amend the plan, or transition to another post retirement supplemental health plan offered by the government or another private agency.

If you have any questions regarding Supplemental Health Insurance please contact the Benistar Retiree Service Center at (800) 236-4782.

These pharmacies may offer you lower cost-sharing than the standard cost-sharing offered by other pharmacies within our network.

You may receive up to a 90-day supply of certain maintenance drugs (medications taken on a long term basis) by mail through Express Scripts Pharmacy. There is no charge for standard shipping. Not all drugs are available at 90-day supply, and not all retail pharmacies offer a 90-day supply. Important Information About Your Medicare Part D Prescription Drug Plan

Express Scripts Medicare[®] (PDP) is offered by Medco Containment Life Insurance Company, which contracts with the Federal government. This coverage is Medicare Part D coverage and is in addition to your coverage under Medicare Parts A and B. You must keep your Medicare Parts A and/or B coverage in order to qualify for this plan. You must inform your former employer of any other prescription drug coverage you may have.

Enrollment Requirements

You can be in only one Medicare prescription drug plan at a time. If you are currently in a Medicare prescription drug plan, a Medicare Advantage Plan with prescription drug coverage, or an individual Medicare Advantage Plan, your enrollment in Express Scripts Medicare may end that enrollment.

You must live within the 50 U.S. states, the District of Columbia, Puerto Rico, the U.S. Virgin Islands, Guam, the Northern Mariana Islands or American Samoa, and be a U.S. citizen or lawfully present in the United States to participate in this plan. It is your responsibility to inform your former employer of any address changes.

You can join a new Medicare prescription drug plan or Medicare health plan from October 15 to December 7. Except in special cases, you cannot join a new plan at any other time of the year. If you leave this plan and don't have or get other Medicare prescription drug coverage or creditable coverage (as good as Medicare's), you may be required to pay a late enrollment penalty (LEP) if you go 63 days or more without Medicare Part D coverage or other creditable prescription drug coverage.

Some people may have to pay an extra premium amount because of their yearly income. If you have to pay an extra amount, the Social Security Administration – not your Medicare plan – will send you a letter telling you what that extra amount will be and how to pay it. If you have any questions about this extra amount, contact the Social Security Administration at 1.800.772.1213. TTY users call 1.800.325.0778.

Medicare beneficiaries with low or limited income and resources may qualify for Extra Help. If you qualify, your Medicare prescription drug plan costs will be less. Once you are enrolled in this drug plan, Medicare will tell the plan how much assistance you will receive and Express Scripts will send you information on the amount you will pay. If you are not currently receiving Extra Help, you can contact 1.800.MEDICARE (1.800.633.4227) to see if you might qualify. TTY users call 1.877.486.2048.

Once you are a member of this plan, you have the right to file a grievance or appeal plan decisions about payment or services if you disagree. Read your *Evidence of Coverage* to know which rules you must follow to receive coverage with this Medicare prescription drug plan.

This information is not a complete description of benefits. Contact Express Scripts Medicare for more information. Limitations, copayments and restrictions may apply. Benefits, premium (if applicable) and/or copayments/coinsurance may change on January 1 of each year. The formulary and/or pharmacy network may change at any time. You will receive notice when necessary.

Release of Information

By joining this Medicare prescription drug plan, I acknowledge that Express Scripts Medicare can release my information to Medicare and other plans as is necessary for treatment, payment and health care operations. I also acknowledge that Express Scripts Medicare can release my information, including my prescription drug event data, to Medicare, who may release it for research and other purposes that follow all applicable Federal statutes and regulations.
