The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.bluecrossnc.com. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. Important Questions	Answers	Why this Matters:			
What is the overall deductible?	In-Network: \$1,600 Individual/\$3,900 Family Member/\$3,900 Family Total. Out-of-Network: \$3,900 Individual/\$11,700 Family Member/\$11,700 Family Total.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.			
Are there services covered before you meet your <u>deductible</u> ?	Yes. Preventive care.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/.			
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.			
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?	In-Network: \$6,300 Individual/\$6,650 Family Member/\$12,600 Family Total. Out-of-Network: \$7,500 Individual/\$13,300 Family Member/\$15,000 Family Total.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , the overall family <u>out-of-pocket limit</u> must be met.			
What is not included in the <u>out-of-pocket limit?</u>	Premiums, balance-billing charges, health care this plan doesn't cover and penalties for failure to obtain preauthorization for services.	Even though you pay these expenses, they don't count toward the <u>out–of–pocket limit</u> .			
Will you pay less if you use a <u>network</u> <u>provider</u> ?	Yes. See www.bluecrossnc.com/FindADoctor or call 1-877-275-9787 for a list of network providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays <u>(balance billing)</u> . Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your provider before you get services.
