

Dear <Name>,

WELCOME TO LIVING AND LEARNING AT ELON UNIVERSITY!

We look forward to welcoming you to campus this fall as you begin your Elon experience. This letter contains a link to your official housing assignment and additional information about Residence Life and your transition to campus. Please review the information carefully. Many questions can also be answered by visiting our [website](#). Moving forward, we will communicate with you exclusively via your Elon email address, *so please check it regularly*.

ROOM ASSIGNMENTS

Fall room and roommate assignments are now live!

To view your room assignment, roommates and suitemates, please log into your [Self-Service](#) page (www.elon.edu/myhousing) using your Elon email username and password. If you are assigned to a Living-Learning Community (LLC), you will receive further communication about the community and expectations. If you do not see a room assignment, or see “Temporary House” as your assignment, please complete your housing application on Self-Service and then reach out to us at residencelife@elon.edu to be assigned.

Please note all assignments are FINAL and no changes can be made until the room change period opens in September.

MOVE-IN DAY

New students are scheduled to move in on **Friday, August 22, 2025**. All [move-in times can be found in your Acorn Account](#). This time indicates when you are scheduled to arrive at our centralized drive-through check-in at the Schar Center.

NOTE: New students are not able to request an earlier move-in date. Students who are part of an approved early arrival team/group will receive separate details about scheduled arrivals later on in July.

Given the amount of traffic expected on move-in day, it is imperative all students and families arrive at their scheduled move-in time. Be sure to print the dashboard sign that will include your housing assignment to place in your car's dash on move-in day. This will help our staff direct you to the correct location. This will be made available in your Acorn Account later this summer.

Friday, August 22 is the first of four days of Orientation before classes begin on Tuesday, August 26. Additional [information about New Student Orientation \(NSO\) can be found here](#). It is important to note that all aspects of New Student Orientation are required for all new students.

A [packing checklist can be found on the NSO website](#). Elon community members will be available to assist you in moving your belongings into your room. Before arriving to campus, please **mark all your personal belongings with your name, residence hall, room number, and a contact phone number**.

ADDITIONAL IMPORTANT INFORMATION

In order to help make your transition to campus more comfortable, we offer a number of services. We encourage you to contact your roommates prior to your arrival so you do not double-order any services.

Making your room more like home – [To learn about general amenities of your assignment, click here](#). [To learn about the amenities specific to your neighborhood, click here](#). [To see the floor plan/layout of your assigned hall, click here](#) (Elon login credentials are required).

Students also have access to **Roomie** to see a 3D scan of their individual residential room. The link to this 3D scan can be found on [Self-Service](#) and is room-specific. [More information on Roomie can be found here](#).

Please take a moment to review our policies, including [the full Housing Agreement](#), so you become familiar with our expectations for living on-campus. For [a list of items to bring to campus \(or leave at home\), click here](#).

Neighborhood specific details can be found on the neighborhood sites below and we encourage you to follow us on social media to start engaging with your community:

- [Colonnades Neighborhood](#) - follow us [@colonnadesneighborhood](#)
- [Global Neighborhood](#) - follow us [@elonglobalneighborhood](#)
- [East Neighborhood](#) - follow us [@eloneastneighborhood](#)

- [Historic Neighborhood](#) - follow us [@historicelon](#)

Streeme TV & HBO Max - With Streeme TV, Elon students living in on-campus residence halls have access to more than 60 channels of news, entertainment, and premium programming in residential common areas that have a TV. [Streeme TV is accessible](#) by launching the app on the Roku home screen.

Elon provides students living on campus access to the HBO Max streaming service beginning 30 days before moving in and expiring 2 weeks after moving out. [For more information, please visit the Student Technology Guide.](#)

Bed Linens – All rooms in residence halls have extra-long twin beds, **except single rooms in Global, East, and Colonnades, which have full-sized beds.** Please plan accordingly when buying your linens. [Bed lofting supplies will be available on move-in day.](#)

MicroFridge Rental – Through Elon University’s partnership with Standards For Living, Elon students may rent a microwave-refrigerator-freezer all-in-one combination appliance unit and have it waiting in your room before you move onto campus. These uniquely-designed units are the only microwaves allowed in the residence halls (except in kitchenette spaces in the Danieleley Center). Please be sure to check with your roommate to avoid double orders as only one unit is permitted per room. The order deadline is **August 16.** [For more information and to rent a MicroFridge, please click here.](#)

Immunization Compliance – Students must be in compliance with state immunization compliance prior to arriving to campus. State statute requires that Elon University disenroll any student not in compliance with state immunization requirements. For more information, visit the [Immunization Compliance website](#) or email immunizations@elon.edu.

Dining Services – Elon Dining’s team of food enthusiasts is excited to help you get settled and start exploring all the delicious options available to you! Take a look at the three [All-Access Meal Plan](#) options to find the one that works best for you and pick one now! During the first week of classes, Elon Dining will be tabling daily throughout campus to answer questions regarding Meal Plans, dining locations, and how **dietary and allergen accommodations are supported.**

Important Dining Dates:

August 22 – Meal Plans Begin at Lunch

September 9 – Last Day to Change Fall Meal Plans (if eligible)

December 12 – Last Day of Fall Meal Plans

[Navigating Dining](#) — find resources that will take the guesswork out of dining at Elon University! Have questions before you arrive on campus? [Contact Elon Dining!](#) Follow Elon Dining on social media before you arrive to stay updated: [@ElonDining](#).

Barnes & Noble at Elon University – It is recommended that you order your textbooks online before arriving to campus, so they'll be ready for in-store pickup. You can do this through OnTrack — just look for the “View or Buy Course Textbooks” option on the main screen. For more details, visit the [Barnes & Noble at Elon website](#)

Mail Services – Campus mailboxes will be assigned by August 1 and items can be shipped after August 10. If you are sending packages and boxes for the opening of the semester, you can go to [the Mail Services website](#) for the proper addressing format.

Laundry Services – Laundry is available in every residential community and is free of charge in all areas, except for The Crest Apartments. [More information on laundry services and locations can be found here.](#)

Storage Scholars - Students may also explore the “Ship to School” option available through Storage Scholars. Storage Scholars and their “Ship to School” program are the only vendor approved to deliver students’ belongings directly to their rooms ahead of arrival to campus. For more [information on Storage Scholars, please click here.](#)

GradGuard Renter's Insurance – While Elon University cannot and does not cover students' lost, stolen or damaged property, we certainly recognize your need for ensuring the safety of your property. Elon University is a safe and caring environment, but, like your home, it still requires forethought about protecting personal belongings. We have a partnership with GradGuard to offer renter’s insurance to students and we encourage you to also talk to your insurance agent.

Parking Information – Please [review all parking rules and maps](#). First-year residential students can bring a car to campus and are required to use the eastern most parking lot in the Danieleley Center or the 500-space parking lot adjacent to the Gerald L. Francis Center on East Haggard Avenue. When purchasing a parking permit, you will purchase an FY permit. Students will be able to [use Elon Express](#) to access these parking locations. During off hours for the Elon Express, students may use [E-Rides or Campus Security Escorts](#).

Important Dates

Please be aware that the residence halls close during several breaks throughout the year. Visit our [important dates](#) page before you make your travel arrangements.

If you have any questions, please visit the [Residence Life website](#), email residencelife@elon.edu, or call us at 336-278-7300.

My best,

Kirsten Carrier She/her/hers [pronouns](#)

Assistant Dean of Campus Life and Director of Residence Life

ResLife Central Office: 336-278-7300

Mailing Address: 100 Campus Drive, Elon University, 2980 Campus Box, Elon, NC 27244
