Rules and Regulations

The letters on your parking permit indicate your assigned parking areas. Any vehicle parking in any other space is in violation of campus parking regulations.

Parking in restricted areas and no parking zones, without a proper permit could result in a fine and/or tow. The University reserves the right to change motor vehicle policies when necessary.

Finally, the University does not assume responsibility for any person's motor vehicle when it is parked on campus. Parking is a privilege which can be revoked for rule violations.

Vehicles may only be operated on paved streets and shall be parked appropriately in designated lots. Parking or driving on the grass or Tram Path is prohibited.

Fire Lanes – MAY OR MAY NOT BE MARKED

Vehicles parked along a curb, even if the curb is not painted yellow, or parked in the travel portion of the street or parking lot will be considered, "**Parked in a Fire Lane**" and may be ticketed and/or towed.

Street Parking

Faculty/Staff may park on East Lebanon Avenue (north of railroad tracks).

Parking on the streets in the Town of Elon is under the town's jurisdiction. Anyone using such space should understand and obey the parking regulations of the Town of Elon.
