Does it matter which pile or truck I put items in?

- Yes. Items are distributed to multiple community partners. Having items sorted makes distribution much easier for the 5 staff members collecting thousands of pounds of donations.

Should I bag my items?

- No- items should not be bagged.

Can I take items from the trucks?

- No. That is stealing.

What if it is after hours and I don't have access to my Donation Station because I live in another building or the truck is locked?

- Wait until the building or truck opens in the morning, then drop items off.
- DO NOT leave items outside trucks—they may get destroyed by rain or stolen

What organizations are items donated to?

- Food goes to Allied Churches & Salvation Army
- Bedding goes to First Presbyterian Church
- Furniture goes to Habitat for Humanity
- Clothing and housewares go to Goodwill

What do I do with large items like furniture?

- Large items can be taken directly to the trucks in the Oaks or Danieleley parking lots.

Why donate?

- Items that are not donated go to a landfill, no matter their condition.
- Donated items go to people who can use them. In 2021 over 11 tons of items were donated.
