- Which Elon Experience(s) seem the most **obvious** for you to pursue?
- Which Elon Experiences(s) most **excite, scare, or challenge** you? Why?
- What **barriers** are you worried you might encounter if you pursue certain ELR's?
- Are there any ELR's you did not list in your answers 1-4? List them here.
- Which ELR would you do even if there were no requirements to complete it?

Explore Past Learning Experiences

Think back to prior educational opportunities. What do you **remember** about them? Why do you think they were valuable to you? List your best 3-4 learning experiences. As you reflect on these experiences, consider what you valued about the experience.

What prior learning experiences might you want to incorporate into your Elon path (Ex. An organization, a sport, a project, a hobby etc.)? List them here.

Sketch out the experience and emotions felt. If you haven't engaged in some of these experiences, draw out how you might feel if you were to give them a try at Elon.
