

Hello families of on-campus residents,

The letter below was sent to all on-campus residents this week. Please pay special attention to the dates residence halls close for breaks. This does not include apartments (Oaks, Park Place, Danieleley apartments and Station at Mill Point). This will aide as you make travel plans. Please contact Residence Life with any questions.

Dear Residential Student,

Residence Life will send you many communications over the year with important information. It is very important that you and your families read the information carefully and ask Residence Life if you have questions. We are aware that information may be shared on different platforms, but you are responsible for the information supplied directly from Residence Life. We encourage you to [review our Residence Life website](#) carefully.

**Residential Policies:** For your convenience, [all residential policies are located on our website](#). Please take a moment to review these policies carefully.

**Health and Safety Inspections:** Residence Life student staff members will be entering rooms on campus several times during the year to check for health and safety issues. These inspections will occur in September, at Thanksgiving break, winter break, and spring break. Please be sure you do not have violations ([see a list of violations here](#)) to avoid fines and/or student conduct charges.

**Self Service:** Self service allows you to manage your housing and meal plans. You can view your assignment, roommate/suitemate information, dining, and other important items related to housing on this site. You will be asked to complete different forms throughout the year in this site as well as register for fall 2020 housing.

**Breaks:** Please [check our website](#) for residence hall closing dates for breaks. This will allow you to book your travel plans accordingly. If you need to stay late or return early for a break period, you must submit a Break Housing Request found under 'Applications' in Self Service.
