Multiple dates: ELON LAW REACHES OUT
Saturdays in August (8/12, 8/19, 8/26)

Now in its 16th year, Elon Law Reaches Out is one of Elon Law's enduring traditions, introducing first-year students to the Greensboro community while providing an opportunity serve our neighbors in a variety of settings. This year we are partnering with Guilford County Schools to help prepare local schools for the return of their students. Tasks will vary depending on the needs of each school, but may include painting, preparing classrooms and bulletin boards, grounds beautification, as well as other needed preparations.

Students are required to participate in at least one service opportunity as part of their LLP requirements, but may participate in more than one if they choose.

Volunteers will need to complete an application/background check which can be done at gcsvolunteers.com. Select the "New Volunteer" link to register.
