

## List of Local Housing Opportunities

*Elon University School of Law makes no representations regarding any of these properties. This list is not comprehensive, and you are encouraged to investigate other opportunities in the area using resources such as the Relocation Guide and Apartment Finder, as well as apartment communities and realtor websites. Interested students should contact the housing providers directly, as neither the School of Law nor the University will be involved in providing housing for law students. We hope this information is helpful to you in locating housing for the upcoming academic year.*
